

JODY MEHL

Website & Graphic Designer

"If I don't know the answer, google is my best friend."

ABOUT ME

I am an experienced Web designer and Web developer. I have over 10 years experience in the I.T field and I am a hardworking person, Open minded in seeing things in a new perspective, who strives in doing my utmost best at all times, My objectives are to do the best I can, to reach expert level in the web development field, and to support my friends and family.

WORK EXPERIENCE

The Brand Mix

Senior Website & Graphic Designer

FEB 2020 - PRESENT

I currently maintain over 50 websites designed in Wordpress using Divi and WPBakery. I create new websites as well as redesigns mainly for the Hotel industry and do a bit of graphic design for our Voucher Engine.

bOnline

Senior Website & Graphic Designer

MAR 2015 - JAN 2020

I dealt with UK Based clients mostly but at times its clients from all over the world, I speak directly to the clients and have the website brief where we would discuss on what they would like to achieve, and build towards that. My general duties are to build / maintain their websites, do basic SEO and make sure its mobile friendly. The platforms used are a custom build CRM, Divi and Wordpress.
